Schedule

The workshop will start at 0800 on Tuesday 16 November and will conclude at 1600 on Wednesday 17 November.

Transportation

There will be no shuttle provided from hotels to the Center - Rental cars available at the Charleston airport: Budget, Alamo, Hertz, National, and Avis.

Taxis: For those not renting cars, we can recommend Metro Limo Taxi - 843-572-5083. As with other taxi companies, it costs about \$20 from airport and about \$15 from downtown to get to the Center. He has a shuttle so he can take more than one passenger. To use him from the airport, they will need to call him prior to landing or you will just get whatever cab company is in line next.

Directions to the Coastal Services Center are provided on the Center's web site (http://www.csc.noaa.gov/text/direct.html).
